Why We Need Your Help

St. Ben's Community Meal feeds the homeless, the poor and people struggling with mental health issues six nights per week. The Journal Sentinel calls St. Ben's "the community's largest potluck dinner." In addition, St Ben's provides other diverse services to the homeless including medical care, jail ministry, ID's, local & out of state bus tickets, hygiene products, emergency clothing, GED assistance, and furniture/appliance aid. Our guests include male and female, infants to elderly.

We need your help to continue these services to the homeless and the working poor of our community. St. Ben's is a ministry of the Capuchin Province of St. Joseph. Thank you for your support of the needy.
